Huy M. Tran

Senior Exhibit Designer

HERE'S MY STORY

I'm an exhibit designer with more than 10 years of experience in the exhibit and trade show industry. Some people call it an environmental design; others call it a 3D design. I often describe my role as a brand promoter. Throughout my career, I use architectural design principles to promote brand experience through forms and spaces.

WORK EXPERIENCE

Intern Architect

ZGF ARCHITECTS LLP - PORTLAND, OR
SUMMER 2007

- Create 3D models of buildings and furniture
- Assist architects with 3D rendering and visualization
- Create textures for use in 3D rendering
